

'A Foggy Day' (Gershwin)

Improvised solo by Doug McKenzie

This is a transcription of a live played improvisation. It is difficult, especially in rubato passages, to notate the rhythm accurately. Best to look at this youtube video to see the original annotated video https://www.youtube.com/watch?v=1X_zZrUaya0 or on my website <http://www.bushgrafts.com>

Played very freely
