

# (On The) Sunny Side of The Street

Improvised solo by Doug McKenzie

This is a transcription of a live played improvisation. It is difficult, especially in rubato passages , to notate the rhythm accurately. Best to look at this youtube video to see the original annotated video <https://www.youtube.com/watch?v=0rVQi1zkNUs> or on my website <http://www.bushgrafts.com>

Starting the song at the bridge - playing freely

Chromatic run-up to first note

Different voicings for minor 1 1 th chords Here - 2 sets of perfect 4ths in each hand
