

# Yours Is My Heart Alone

Improvised solo by Doug Mckenzie

This is a transcription of a live played improvisation. It is difficult, especially in rubato passages , to notate the rhythm accurately. Best to look at this youtube video to see the original annotated video on my website <http://www.bushgrafts.com>, or on YouTube

Play the first chorus very freely

Bm7b5

E7alt

White note glissando

First page sample

Nice minor 11th voicing - RH a Major triad a tone below chord root  
LH - m3rd,4th,5th
